3Ls Go Virtual!

Given that we can't meet in person and ring real bells due to the Covid-19 pandemic, the 3Ls are going to be meeting virtually using Zoom and Ringing Room until we can get back to ringing real bells again.

Saturday June 6th 1-3pm

Saturday July 4th 1-3pm

**Meeting details: Please contact Monica Hollows on
fyldebranchsec@gmail.com**

Calling all young ringers. Please join in with the 3Ls virtual practices. If you haven't joined us before this would be a great time to start, or if you have been before but not recently, we would love to see you again. All levels catered for; we ring from Rounds upwards.

What you need to do ahead of the meeting:

1. **Go to <https://ringingroom.com> and create an account.** You can try out the 3Ls tower using the Tower ID above. If you have used Abel/Mobel it is a similar idea, just that a real person controls every bell rather than the computer ringing any of them. We find it works best if everyone uses headphones for the ringing. Ringing Room works best on a desktop/laptop with the Chrome browser. It will work on iPads/phones etc, but there is sometimes some lag and/or freezing going on.
2. **Download the Zoom app** (or check that you can access zoom using the link above and follow the on-screen instructions.)
3. **IMPORTANT** - ensure that your parent/guardian has sent in their consent for your to join the virtual meeting.

PARENTS/GUARDIANS

Our safeguarding arrangements/consent forms have not previously included virtual meetings of the 3Ls using Zoom or similar technology. Therefore, we need to ensure we have parental consent for this type of meeting.

Please can all parents/guardians confirm one of the following in an email:

I confirm that I am happy for xxxxx (and yyyyy) to join 3Ls virtual meetings.

EITHER

a) I will supervise my child/children during the 3Ls Zoom meetings.

OR

b) I am happy for my child/children to join 3Ls Zoom meetings unsupervised, using both the microphone and camera. (or just mic. if you prefer)

Please note that no young ringers will be accepted into the meeting unsupervised unless a confirmation email has been received from a parent/guardian.

Please can parents/guardians email their confirmation to Monica at least 4hrs before the first meeting your child will attend:

fyldebranchsec@gmail.com

Thank you for your help with this.
